

Terms and Conditions of the "Treasures of '26" promo

1. General Information

1.1. The full terms and conditions of the promotion will be published on the Company's official website and its local domains.

1.2. The trading turnover required to participate in the promo is counted from **December 8, 2025, 00:00 UTC+2** to **December 28, 2025, 23:59 UTC+2**.

1.3. The promo page and the official promo launch will go live on **December 8, 2025, 12:00 UTC+2**.

1.4. The final **prize giveaway** will take place on **December 29, 2025**, and the results will be published no later than **December 31, 2025**.

1.5. All prizes will be credited to the winners' trading accounts no later than **January 10, 2026**.

1.6. The total prize pool of the promotion is **1,000,000 USD**, including:

- **500,000 USD** allocated to the prize giveaway.
- **500,000 USD** allocated to the Trade for Treasures game, distributed among participants based on the number of coins they earned.

1.7. The prize pool is funded exclusively by the Company.

2. Participation Requirements

2.1. All registered clients of the platform may participate.

2.2. To participate in the prize giveaway, a client must:

- have made at least one successful account deposit in 2025;
- confirm participation by clicking "Participate" on the promo page.

2.3. To participate in the Trade for Treasures game, a client must:

- make deposits using promo codes specified on the hero cards;
- complete the trading turnover required for each hero.

2.4. Trading turnover for the Trade for Treasures game is counted from the start of the event (December 8, 2025, 00:00 UTC+2), even if the deposit with a promo code was made later.

2.5. A client may participate in both mechanics simultaneously.

2.6. Accounts that violate platform rules or use dishonest practices (duplicates, multi-accounts, etc.) may be excluded from the promotion without prior notice.

3. Mechanic 1 — Prize Giveaway

3.1. The giveaway includes all clients who:

- have made at least one deposit in 2025;
- confirmed participation by clicking “Participate” on the promo page.

3.2. Winners are determined randomly using the platform’s internal randomizer.

3.3. Prizes are distributed randomly among all eligible participants.

3.4. All cash prizes are credited in USD or in the equivalent of the client’s selected account currency.

3.5. The number of winners and prize amounts are determined by the Company and published on the promo page.

3.6. Prizes are not issued in physical form and cannot be transferred or exchanged.

Prize List:

4. Mechanic 2 — Trade for Treasures Game

4.1. The promo page displays **12 unique New Year heroes**, each with:

- a promo code
- a minimum deposit required to unlock the hero
- a required trading turnover to receive the full amount of coins

4.2. After making a deposit with the hero's promo code, the hero is unlocked, and the participant receives coins for the deposit.

4.3. After completing the required trading turnover for the hero, additional coins are awarded.

4.4. All coins earned are displayed in the client's total coin balance on the promo page.

4.5. **1 coin = 1 USD.**

4.6. After the promotion ends, winners will be determined randomly.

4.6.1. Winners are chosen randomly from all clients who have at least one coin.

4.6.2. After a winner is selected, the number of their accumulated coins is deducted from the prize pool of **500,000 USD.**

4.6.3. Winner selection continues until the total amount of distributed coins reaches or exceeds **500,000 USD.**

4.6.4. Once the prize pool limit of **500,000 USD** is reached or exceeded, the selection process stops.

4.6.5. The number of winners is not fixed and depends on how coins are distributed among participants.

4.6.6. Each winner receives an amount equal to the number of coins they accumulated.

4.7. The maximum number of coins a single client can accumulate is 47,331.

4.8. Heroes may be unlocked in any order.

4.9. If the required trading turnover for a hero was completed before the deposit was made, all coins for that hero are credited automatically upon deposit.

4.10. After the promotion ends, all unclaimed coins of clients who were not selected as winners will expire.
